Overall Length:

60.000 inches

Overall Width:

52.000 inches

Thickness:

0.071 inches

Aircraft Location:

Engine duct air

Aircraft Station Number:

Fs509.500 to fs554.870

Aircraft Mission Design Series:

F-15i/s

Special Features:

U/o f-15s 13 and up

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
