**Aircraft Location:**

Rear attachment assembly p/n 50551302

**Aircraft Mission Design Series:**

C-130e/h

**Special Features:**

Requestedname: saddle assembly, armor; nha is p/n 50551302 rear attachment assembly

**Material:**

Aluminum alloy

**Surface Treatment Specification:**

Mil-c-5541, class 1a at welds military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11800

**Mil-std (military Standard):**

Mil-c-5541 spec.
