**Overall Length:**

21.400 inches

**Overall Width:**

12.500 inches

**Thickness:**

0.050 inches

**Aircraft Location:**

Lwr cowl body panel assembly

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Heat treat t4; finish f-2.130; opp -809

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
