**Aircraft Location:**

Fs373 to fs389

**Aircraft Mission Design Series:**

F-16c/d blk 25, 32

**Special Features:**

Drawing name is engine support reinforcement, inst. Of repair

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4-t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
