Next Higher Assembly Identification Designator:

6507-09-513-7011

End Application:

Ch-53e, mh-53e, 2h53diin, s-80m-1, ych-53e helicopter

Side For Which Designed:

Left side

Product Name:

Inavy: windshield, cockpit canopy

Aircraft Station Number:

BI24.0

Special Features:

Abrasion resistant coatin (pilkington arc ss-6590) is to be applied to entire outer surface of outer panet and to entire inner surface of inner panel.

Material:

Plastic acrylic

Material Specification:

Mil-p-25690 military standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-p-25690 spec.
