End Application:

C-17 aircraft

Aircraft Location:

Cooling air near compressor

Aircraft Mission Design Series:

C-17

Special Features:

Nha 17p2n9004; u/o 17a001-34, 17t001 acft

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
