Overall Length:

5.870 inches

Overall Width:

2.160 inches

End Application:

F-16 aircraft

Aircraft Location:

Gusset, center fuselage

Aircraft Station Number:

Fs243.000 to fs373.800

Aircraft Mission Design Series:

F-16

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4-t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
