End Application:

F-5e/f aircraft

Aircraft Location:

Nose wheel steering

Aircraft Mission Design Series:

F-5e/f

Material:

Aluminum

Material Specification:

Aluminum casting a356-t6 spec-nai-1296 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
