**End Application:**

F-5e/f aircraft

**Aircraft Location:**

Nose wheel steering

**Aircraft Mission Design Series:**

F-5e/f

**Material:**

Aluminum

**Material Specification:**

Aluminum casting a356-t6 spec-nai-1296 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
