Aircraft Location:
Inboard, forward, conformal fuel tank
Aircraft Station Number:
Fs428.39 to fs524.68
Aircraft Mission Design Series:
F-15i
Special Features:
U/o aircraft series rct-6, 1 and up; next higher assembly 68a250563
Material:
Aluminum alloy 7075
Material Specification:
Qq-a-250/25, t76 federal specification single material response
Surface Treatment:
Aluminum and dichromate
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
