Overall Length:

13.500 inches

Aircraft Location:

Tee-former

Aircraft Mission Design Series:

F-15c

Special Features:

Requested name-tee

Material:

Aluminum alloy 2024

Material Specification:

Qq-a200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
