Aircraft Location:

Skin-trailing edge, wing, outboard upper

Aircraft Mission Design Series:

F-15i

Special Features:

U/o f-15i 1 and up; next higher assembly

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
