Aircraft Location:

Door assembly, fuel check access

Aircraft Mission Design Series:

F-15i

Special Features:

Requested name-door assembly; u/o f-15i cum 10 through assembly; next higher assembly -2031

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
