**Aircraft Location:**

Door assembly, fuel check access

**Aircraft Mission Design Series:**

F-15i

**Special Features:**

Requested name-door assembly; u/o f-15i cum 10 through assembly; next higher assembly -2031

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5, t62 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
