Aircraft Location:

Cover, access-control, upper

Aircraft Station Number:

Fs509.5 to fs558.5

Aircraft Mission Design Series:

F-15i

Special Features:

P/n 68a325510-1027 is the next higher assembly

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
