**Overall Length:**

17.000 inches

**Overall Width:**

11.000 inches

**Material Thickness:**

0.160 inches

**End Application:**

F-16c/d aircraft

**Aircraft Location:**

Skin, engine access - lwr

**Aircraft Station Number:**

Fs389.800 to fs446.100

**Aircraft Mission Design Series:**

F-16c/d

**Material:**

Steel

**Material Specification:**

Mil-s-18729 form s military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400

**Mil-std (military Standard):**

Mil-s-18729 spec.
