Overall Length:

42.800 inches

Overall Width:

4.000 inches

Material Thickness:

2.000 inches

Aircraft Location:

Aft vane post nacelle support assembly

Aircraft Station Number:

Station 168.85

Aircraft Mission Design Series:

B-1b

Special Features:

Requested name nacc vane support post; opposite -003; make from st0170lb0052 al alloy bar, t8511

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
