Overall Length:

9.500 inches

Overall Width:

4.500 inches

Material Thickness:

0.040 inches

Aircraft Location:

Outboard, leading edge

Aircraft Mission Design Series:

F-15

Special Features:

U/o f-15i cum10&up, f-15s cum37&up, f-15e cum210&up

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, cond 0 federal specification single material response

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
