Overall Length:

52.350 inches

Aircraft Location:

Longeron-upper, nose barrel

Aircraft Station Number:

Fs207.650 to fs260.000

Aircraft Mission Design Series:

F-15i

Special Features:

Made from 68a312025-2002

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367, t7352 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Ps13201, type 2, class 1 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
