Overall Length:

12.500 inches

Overall Width:

12.250 inches

Thickness:

0.063 inches

Aircraft Location:

Lower esb closure

Aircraft Mission Design Series:

F-15i

Special Features:

P/n 68a332340-2001 opposite

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11700
