Overall Length:

2.300 inches

End Application:

Blk 30/35 grp a

Aircraft Location:

Trailing edge rib installation

Aircraft Station Number:

Elevator sta 182.38

Aircraft Mission Design Series:

E-3a

Special Features:

Manufacturer suggested name angleclip; alter bac 1489-114; finish srf-2.115, heat treat t6

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
