Overall Length:

5.250 inches

Overall Width:

0.800 inches

Material Thickness:

0.400 inches

Aircraft Location:

Fuel tank

Aircraft Mission Design Series:

F-15

Special Features:

Manufacturer suggested name-cushion-cut shape, foam

Material:

Plastic polyethylene

Material Specification:

Ppp-c-1752, type iv, class 2 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
