Overall Length:

3.380 inches

Overall Width:

1.860 inches

Material Thickness:

0.860 inches

Aircraft Location:

Foam block, auxiliary tank

Aircraft Mission Design Series:

F-15

Special Features:

Manufacturer suggested name-foam block; u/o f-15c, d, e, i, s 1up

Material:

Plastic polyurethane

Material Specification:

Hh-i-530, type i, grade 2, class 1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
