Overall Length:

6.120 inches

Overall Width:

1.930 inches

Material Thickness:

0.860 inches

Aircraft Location:

Foam block, aux tank

Aircraft Mission Design Series:

F-15

Special Features:

Manufacturer suggested name-foam block; u/o f-15c, d 1up, f-15e 1-209, f-15s 1-12

Material:

Plastic polyurethane

Material Specification:

Hh-i-530, type i, grade 2, class 1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
