End Application:

A-10a aircraft

Aircraft Location:

Rib assembly - closure, leading edge slat

Aircraft Mission Design Series:

A-10a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, 2024-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
