Overall Length:

1.940 inches

Overall Width:

0.500 inches

Material Thickness:

9.190 inches

Side For Which Designed:

Right side

Aircraft Location:

Rib, ramp-third

Aircraft Mission Design Series:

F-15s

Special Features:

Manufacturer suggested name-filler; u/o f-15s 1up

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
