**Overall Length:**

6.560 inches

**Overall Width:**

2.390 inches

**Material Thickness:**

0.016 inches

**Side For Which Designed:**

Right side

**Aircraft Location:**

Foriegn object seal

**Aircraft Mission Design Series:**

F-15c/d

**Special Features:**

Manufacturer suggested name-seal; part of next asssembly p/n 68a321303-1006 on f-15c cum38 and up, f-15d cum8 and up

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11400
