Overall Length:

5.900 inches

Overall Width:

5.500 inches

Material Thickness:

0.016 inches

Side For Which Designed:

Left side

Aircraft Location:

Foreign object seal

Aircraft Mission Design Series:

F-15c, d

Special Features:

Manufacturer suggested name-cover; u/o f-15c cum1-37, f-15d cum1-7

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
