Overall Length:

5.900 inches

Overall Width:

5.740 inches

Material Thickness:

0.016 inches

Side For Which Designed:

Right side

Aircraft Location:

Foreign object seal

Aircraft Mission Design Series:

F-15c, d

Special Features:

Manufacturer suggested name-cover; u/o f-15c, d blk25 up

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
