Overall Length:

13.620 inches

Overall Width:

3.200 inches

Thickness:

0.071 inches

Aircraft Location:

Data bus interface

Aircraft Mission Design Series:

C130-j

Special Features:

8 cutout per ds2822-11

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
