Overall Length:

59.350 inches

Overall Width:

19.650 inches

Aircraft Location:

Strap-nacelle skin, longeron

Aircraft Station Number:

Fs408.34 to fs466.37

Aircraft Mission Design Series:

F-15c, d

Special Features:

Manufacturer suggest name-strap corrosion

Height:

0.090 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
