Overall Length:

12.958 inches

Hole Quantity:

3

Aircraft Location:

Warm air system

Aircraft Mission Design Series:

F18 e/f

Material:

Nickel alloy

Surface Treatment:

Paint aluminum

Special Test Features:

Oper pressure 135 psig at 1060 degrees f

Supplementary Features:

weight 2.71 lg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
