End Application:

F-15e/s aircraft

Aircraft Location:

Panel, outboard te side, inlet nacelle, machining

Aircraft Mission Design Series:

F-15e/s

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 cond t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
