**End Application:**

F-15e/s aircraft

**Aircraft Location:**

Panel, outboard te side, inlet nacelle, machining

**Aircraft Mission Design Series:**

F-15e/s

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 cond t851 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
