Overall Length:

20.250 inches

Product Name:

Sill

Aircraft Location:

Access cover, lower wing

Aircraft Mission Design Series:

F15

Special Features:

Material specification 1ma100b01-10305; c/o 68a324530-2016 sill and no.5423 3m tape; u/o f-15e 210up, f-15s 41up, f-15i 8up

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t62 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Ps13201, ty ii, cl i mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
