**Overall Length:**

1.000 inches

**Overall Width:**

0.750 inches

**Material Thickness:**

0.100 inches

**Product Name:**

Filler

**Aircraft Location:**

Repair-iwbr 144.8, multi panel replacement

**Aircraft Mission Design Series:**

C-141

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
