Overall Length:

1.000 inches

Overall Width:

0.750 inches

Material Thickness:

0.100 inches

Product Name:

Filler

Aircraft Location:

Repair-iwbr 144.8, multi panel replacement

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
