Overall Length:

17.300 inches

Overall Width:

13.800 inches

Thickness:

0.090 inches

End Application:

F-18c/d acft

Aircraft Location:

Upper forward, aileron

Aircraft Mission Design Series:

F/a-18c/d

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11700
