Overall Length:

38.000 inches

Overall Width:

6.000 inches

End Application:

Mc-130e acft

Product Name:

Liner, navigator floor

Special Features:

Material is nylon-polester with velcro closures

General Description:

Used with cover 81151183 to enclose armor assembly 81151133

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
