Overall Length:

22.375 inches

Aircraft Location:

Main ski spring cylinder

Aircraft Mission Design Series:

Black hawk helicopter

Special Features:

Al20500-8-20058titanium spring is used; amrx-6 or hmx-6fg fitting on one end and 007-u-14481-02"p" fork on the other

Material:

Aluminum and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11500
