Product Name:

Splice plate

Aircraft Location:

Drive shaft fairing assembly

Aircraft Mission Design Series:

Ch-47

Material:

Stainless steel

Material Specification:

Mil-s-25043 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-25043 spec.
