Overall Length:

2.400 inches

Overall Width:

1.600 inches

Material Thickness:

0.050 inches

Aircraft Location:

Chain guard boom support

Aircraft Mission Design Series:

Kc-135

Special Features:

0 temp; heat treat t4; finish f-2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
