Aircraft Location:

Flying boom

Aircraft Mission Design Series:

Kc-135

Special Features:

U/a: fitting-upr fwd roller support; make from -1 forging

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
