Cross Sectional Shape:

Flat

Securing Device Type:

Threaded fastener

Mounting Opening Shape Style:

Threaded hole

End Application:

F-15c, d, e acft

Special Features:

Next higher assembly part number 68a332078; u/o f-15c cum 354 and up, f-15d cum 59 and up, f-15e cum 2 and up; titanium alloy per 6al-6v-2sn; access to horizontal stabilizer actuator rigging

Material:

Titanium alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
