Overall Length:

7.650 inches

Overall Width:

1.860 inches

Material Thickness:

0.300 inches

Side For Which Designed:

Left side

Product Name:

Sill

Aircraft Location:

Door outboard

Aircraft Station Number:

Fs848 to fs856

Aircraft Mission Design Series:

F-15c, d

Special Features:

Lg dim. Stock material; next higher assembly 68a332300 u/o f-15c cum288&up, f-15d cum47&up

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
