Overall Length:

11.600 inches

Overall Width:

2.800 inches

Material Thickness:

0.040 inches

End Application:

Ch-47d chinook helicopter

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
