Material Thickness:

0.036 inches

Aircraft Location:

Stowage provision installation, roller assembly, cable protector

Aircraft Mission Design Series:

Ch/rh/mh/hh-53

Special Features:

Consists of: -101 support, -102 angle, and rivets; opposite -042

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
