Overall Length:

15.589 inches

End Application:

F18 e/f

Hole Quantity:

2

Product Name:

Duct assembly, bleed air - apu/ats

Special Features:

Operating pressure 135psig at 1060 degrees f; max operating pressure 155 psig and 1060 degrees f; proof pressure 270 psig ad 1160 degrees f; burst pressure 540 psig at 1160 degrees f

Height:

4.750 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
