Aircraft Location:

Air turbine start duct assembly

Aircraft Station Number:

Yan.95-yan47.56

Aircraft Mission Design Series:

B-1b

Special Features:

Weight shall not exceed 11.80 pounds; c/o 4 tube, 5 support flange, 2 bracket, 12 insulation shell, 4 support collar, 3 universal joint assembly, 2 doubler, 2 flange, 1 gusset

Material:

Steel comp 321

Material Specification:

Ams5510 federal specification 1st material response and ams5599 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
