End Application:

Seasprite helicopter

Aircraft Location:

Right hand

Aircraft Mission Design Series:

Sh-2g

Special Features:

Window assembly, lh

Material:

Plastic acrylic

Material Specification:

Mil-p-5425 military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-p-5425 spec.
